Summary of the terms and conditions for EBF nomination of horses sired by Stallions which stood outside the EBF Area and were not registered as an EBF International Stallion

1. Definitions

“EBF” means European Breeders’ Fund.

“EBF Programs” means the racing and premium award programs of EBF.

“EBF nomination payments” means payments in accordance with paragraphs 5 and 6 below.

2. EBF eligibility

Subject to payment of EBF nomination payments, horses foaled in 2012 (and thereafter) will be eligible to participate in the EBF programs as fully as if they were eligible under EBF rules and regulations.

3. Duration of eligibility

Horses which are EBF nominated will remain eligible to participate in the EBF programs for their racing careers without further payment or qualification.

4. Entry in EBF restricted program races

EBF eligibility does not guarantee that any horse will be allowed to start in any EBF program race or will be allowed to enter any such race without payment of entry fees charged to all participants in such race.

5. EBF nomination payments

The amount payable by or on behalf of the owner of any horse to qualify the horse as an EBF qualified horse is as follows:

- Either (i) \$600 to be paid on or before May 1 in the calendar year following the horse’s year of birth;
or (ii) \$3,000 to be paid on or before February 15 in the second calendar year following the horse’s year of birth;
or (iii) \$6,000 to be paid on or before June 30 in the second calendar year following the horse’s year of birth.

6. Procedure for EBF nomination payments

- (i) Any payment (*no part payments accepted*) may be made either in US dollars, or in sterling/euros at the exchange rate with the US dollar in force on the date when the payment is dispatched to the EBF. Please apply to the EBF Office, Newmarket, for the exchange rate in force.
- (ii) Any payment of \$600 may be sent to EBF at either its UK or its US address.
- (iii) Any payment of \$3,000 or \$6,000 may be sent to EBF at its UK or US address unless and until EBF notifies owners of horses or their agents of an alternative address for payment.
- (iv) Any payment made by check (or other means) will be deemed to have been made on receipt of the check (or other means) by EBF provided that the check (or other means) is subsequently honored on first presentation.
- (v) A horse will become an EBF qualified horse 14 days after payment of the appropriate amount in accordance with paragraph 5 and this paragraph 6. Any payment which is not made strictly in accordance with these provisions will be ineffective and will be returned to the payer.
